

EU Declaration of Conformity - Packaging

Regulation (EU) 2025/40 - Annex VIII

Chipolo POP - 1 pack

Declaration information	Value
Declaration number	PPWR-DOC-C24W-1PACK-Rev1
Product type	Chipolo POP - 1 pack
Packaging identification	MPS.0000017.001 MPS.0000018.001 MPS.0000019.001 MPS.0000020.001 MPS.0000021.001 MPS.0000022.001

1. Unique identification of the packaging

This declaration jointly covers the following packaging components, which together make up the Chipolo POP 1-pack packaging. The box shape and construction are identical across all color variants. Only the printed graphics and spot color differ. The internal die-cut pocket insert described in Section 4 is an integrated feature cut from the same box material blank under the listed SKU, not a separately numbered component:

Component	SKU	Variant
Box	MPS.0000017.001	White
Box	MPS.0000018.001	Yellow
Box	MPS.0000019.001	Red
Box	MPS.0000020.001	Blue
Box	MPS.0000021.001	Green
Box	MPS.0000022.001	Black

2. Manufacturer

Chipolo d.o.o.
Gabrsko 12
1420 Trbovlje
Slovenia

3. Sole responsibility

This declaration of conformity is issued under the sole responsibility of the manufacturer.

4. Object of the declaration

Single-use, non-food-contact sales packaging for the Chipolo POP tracking tag, 1-pack configuration. The packaging is a printed paperboard box with an internal die-cut pocket insert that holds the tracking tag in place. Both the box and the insert are made from 250 gsm uncoated paper, supplied by Baosong Paper (China) via converter Hong Kong Honda. The only surface treatment is an oil-based overprint varnish on the printed graphics; there is no plastic lamination, film coating or composite layer.

This declaration covers all six standard color variants of the box - Black, Blue, Green, Red, White and Yellow - which are identical in material, construction and dimensions and differ only in printed graphics and spot color.

Flat box blank dimensions: approximately 365 mm x 170 mm.

The quick-start guide, user manual, handling & warranty leaflet and regulatory compliance leaflet packed inside the box are product documentation and are excluded from the packaging composition assessed here.

5. Relevant Union harmonisation legislation

The object of this declaration is in conformity with the requirements under Regulation (EU) 2025/40 of the European Parliament and of the Council of 19 December 2024 on packaging and packaging waste (OJ L, 2025/40, 22 January 2025), including the transitional essential requirement retained by Article 70 from Directive 94/62/EC.

6. Standards, common specifications and technical specifications

With the exception of the transitional essential requirements for packaging minimisation under Article 70(1)(b), no harmonised standards under Article 36 or common specifications under Article 37 of Regulation (EU) 2025/40 are currently available.

To demonstrate and verify conformity, the following harmonised standards (applied as transitional provisions or guidance) and analytical test methodologies were applied:

- Heavy metals concentration limits (Article 5(4)): quantified by ICP-OES/AAS and UV-Vis analysis, in accordance with the accredited laboratory test reports covering the paper and ink components of this packaging.
- Recyclability (Article 6(1)): EN 13430:2004.
- Packaging minimisation (Article 10 / transitional requirement under Article 70(1)(b)): EN 13428:2004.

7. Notified body

Not applicable. The PPWR Annex VII internal production control procedure used for this packaging does not require notified-body intervention.

8. Additional information

The technical documentation required to demonstrate conformity is compiled and maintained in the technical file under reference TF-Chipolo-POP-1pack, Version 1.0, dated 07.08.2026.

This declaration applies only while series production remains identical to the assessed configuration for all six listed color variants.
